Talk to me

Lisa

I'm just having clothing crisis in general

Apparently it's something slightly less dressy than "cocktail" attire.

Lisa

It's "casual cocktail"

Mix and match something here?

Or go Sweater/sport coat
combo?

Ari Chesterman

Less dressy than cocktail- wear
your good white tee with that
gray sportcoat, dark jeans and
white sneaks

Can you try on and send me a pic plz

AC

Lis, send me why you're thinking

Lisa

This is one option

Ari Chesterman

AC

I think you need to be slightly dressier

Lisa

These are the aritzia pants in crepette you posted in silk. I love them and need to buy more colors. They might be my new go to for everything

Ari Chesterman

AC

Do you have a blazer

Lisa
